- 4 Select Connect to Facebook

- 5 If you are not already logged into Facebook, you will need to log in
- 6 Facebook will ask you if you would like to Continue

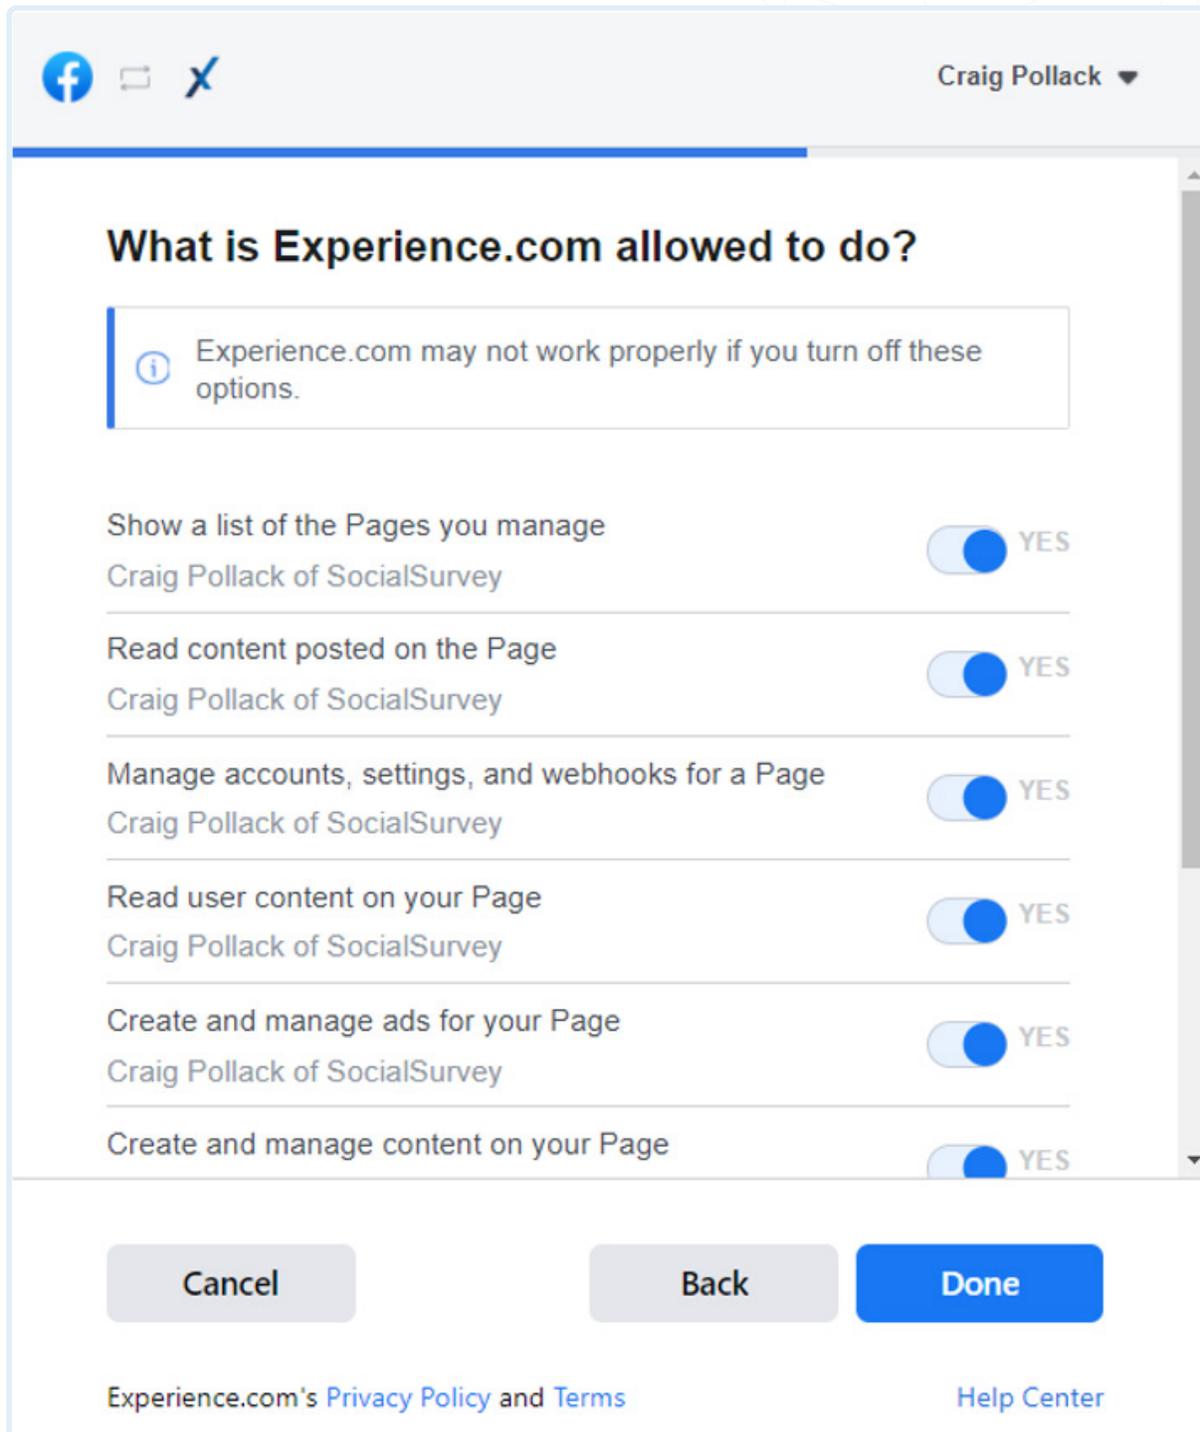

7 Check what page you want to give access to

The screenshot shows a Facebook permissions dialog box for the user Craig Pollack. The dialog lists several pages with checkboxes to grant or deny access:

Page Name	Access Status
SocialSurvey User Reviews	<input type="checkbox"/>
Mortgage Mastermind	<input type="checkbox"/>
Main Street Business Solutions	<input type="checkbox"/>
MOCSI	<input type="checkbox"/>
Customer Reviews	<input type="checkbox"/>
Loan Officer Tips	<input type="checkbox"/>
Experience.com	<input type="checkbox"/>
Craig Pollack of SocialSurvey	<input checked="" type="checkbox"/>

At the bottom of the dialog, there are two buttons: "Cancel" (grey) and "Next" (blue). Below the buttons, there are two links: "Experience.com's Privacy Policy and Terms" and "Help Center".

- 8 Facebook allowed to do settings. These are just set in place giving Experience.com the ability to post on your behalf. Make sure settings are set to "YES"

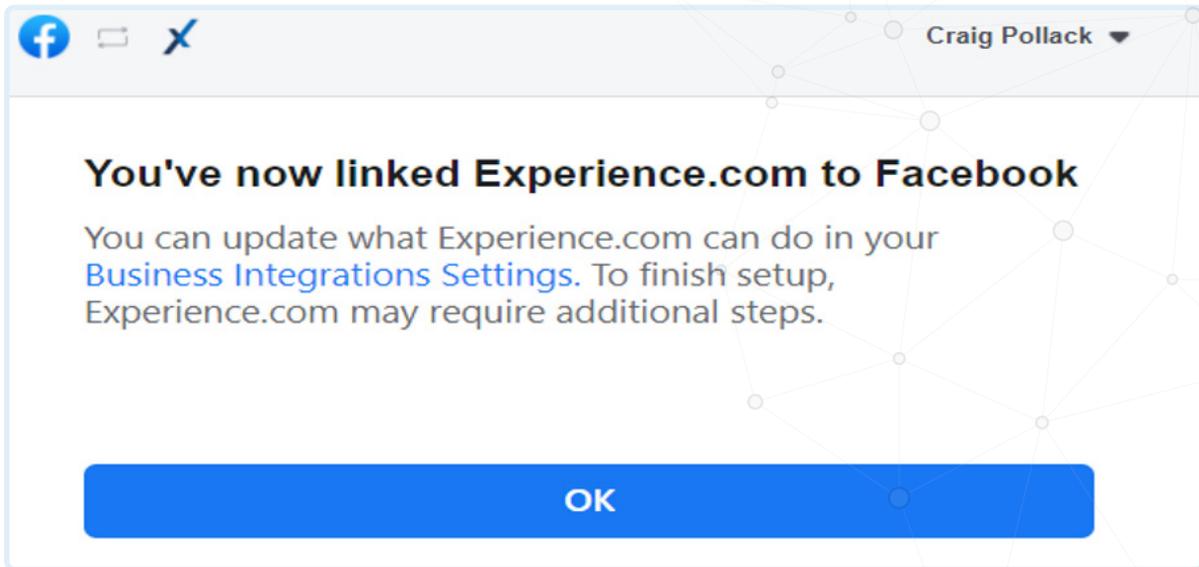

The screenshot shows a Facebook permissions dialog box. At the top, there is a header with the Facebook logo, a close button, and the name 'Craig Pollack'. The main heading is 'What is Experience.com allowed to do?'. Below this is an information box stating: 'Experience.com may not work properly if you turn off these options.' The settings are listed as follows:

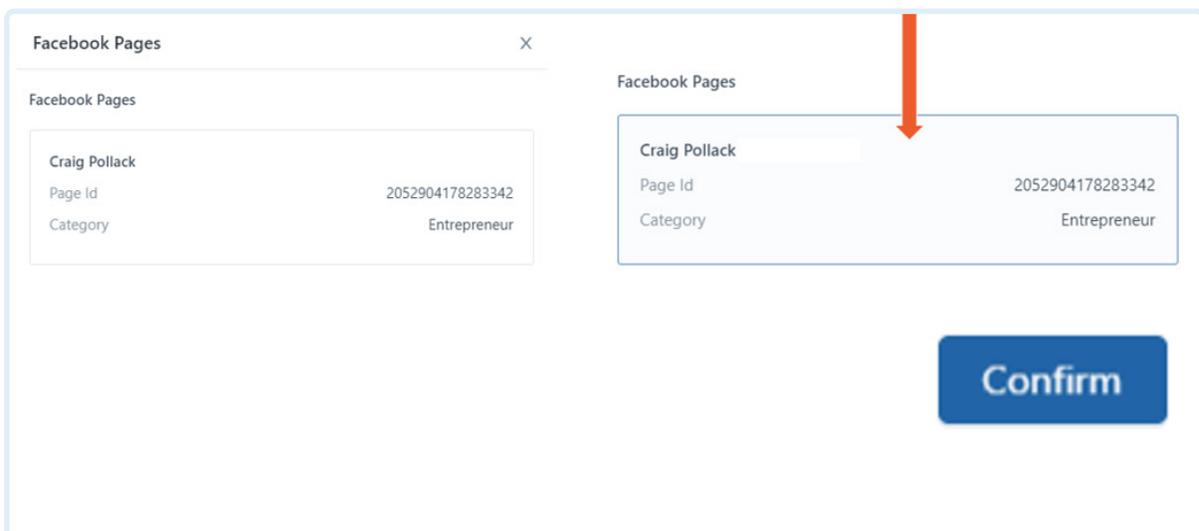

Permission	Page	Status
Show a list of the Pages you manage	Craig Pollack of SocialSurvey	YES
Read content posted on the Page	Craig Pollack of SocialSurvey	YES
Manage accounts, settings, and webhooks for a Page	Craig Pollack of SocialSurvey	YES
Read user content on your Page	Craig Pollack of SocialSurvey	YES
Create and manage ads for your Page	Craig Pollack of SocialSurvey	YES
Create and manage content on your Page		YES

At the bottom of the dialog, there are three buttons: 'Cancel', 'Back', and 'Done'. Below the buttons, there are two links: 'Experience.com's Privacy Policy and Terms' and 'Help Center'.

9 You have now given Facebook page access to Experience.com

10 Last and important step. You HAVE TO make sure you click and select on the Facebook page you just gave permission to and select Confirm
